

Certificate

Certificate number: 2013-007

Certified by EY CertifyPoint since: September 27, 2010

Based on certification examination in conformity with defined requirements in ISO/IEC 17021-1:2015 and ISO/IEC 27006:2015, the Information Security Management System as defined and implemented by

Workday Inc. and Workday Limited*

headquartered in Pleasanton, California, United States of America is compliant with the requirements as stated in the standard:

ISO/IEC 27001:2013

Issue date of certificate: August 12, 2016
Re-issue date of certificate: October 25, 2018
Expiration date of certificate: October 3, 2019

EY CertifyPoint will, according to the certification agreement dated October 19, 2017, perform regular surveillance audits and acknowledge the certificate until the expiration date noted above.

**The certification is applicable for the assets, services and locations as described in the scoping section on the back of this certificate, with regard to the specific requirements for information security as stated in the Statement of Applicability, version 2018.02, dated April 26, 2018.*

J. Sehgal | Director, EY CertifyPoint

Workday Inc. and Workday Limited
